BURNS124 LIMITED/EDITION

Burns124 started Graffiti in 1984 in the small capital of Lower Bavaria by accidentally seeing Style Wars on TV late at night. In 1989 a good friend gave him his name Burns, because it sounded similar to his real name. To make his tag more New York-ish, he added his street number 124. Later on he moved to Munich for studying Graphic Design where he teamed up with Emka and Elf to bomb the local commuter trains, walls and hall of fames.

Today he loves to hit abandoned areas and fright trains with his easy, bubbly, throw-up-influenced Styles. He is a member of the Jukebox Cowboys (JBCB) and the Wonderful Years Crew (WY).
