## MISTER CARTOON LIMITED/EDITION

**Mister CARTOON** was born and raised in Los Angeles, immersed in art from an early age. He began his career as a graffiti artist before branching out into murals, album covers, logos, and now most famously known for his tattoos. His richly detailed, hand-rendered designs pull much of their inspiration from the Los Angeles of CARTOON's youth. At one time, the black and grey fine line style was synonymous with LA street life.
